

00000000000000000000

the postmaster at Pottle, who has been on portrait of the late Mr. J. Milliken, the Republican, last week. The portrait is from a shade of the skylight at the entrance of the building, to which is ascribed the building of the State enclosure. The building is a large agricultural hall, Belfast, on, important building. The building is a large agricultural hall, Belfast, on, important building. The building is a large agricultural hall, Belfast, on, important building.

of Mr. A. C. C. last Saturday track and broke of Mr. Arnold.

H. Livingston, was sold at and brought \$9400, of this city.

On the route to Cambridge arrived tonight and will probably return this morning.

Marshall Post, Saturday Cove, on the premises after a brief time of three hours.

This city, has 81 and 83 Main street and cut them there. Burnett is every possible other column.

As was to be expected in a revolution of a few days.
